

What a difference a year makes:

Combatting increased need, thanks to you.

When the year starts with more neighbors showing up hungry at our food pantry, more calls for help and more local problems like flooding and work furloughs, we worry.

Caring South Hills neighbors stepped up in record numbers this year to help us meet the record-breaking

demands on our three food pantries and our myriad other programs that help struggling people in our community meet basic needs, achieve self-sufficiency and build community.

Thank you for making a difference.

From Refugee to College Student: The Five Greatest Lessons We Learned at SHIM

It is hard for Yuba Neupane and Bandhana Phuyal to imagine where they would be today if it weren't for SHIM. Would Yuba have learned to love software development? Would Bandhana be headed to nursing school? Join these graduates of SHIM's Youth Mentoring Program as they reflect back on the five greatest lessons they learned from SHIM at <http://bit.ly/shimlessons>.

Join us for the 53rd Annual Interfaith Thanksgiving Service.

Fifty-three years ago, leaders of four faiths came together to begin the Interfaith Thanksgiving Service. Decades later, we recognize the importance—now more than ever—of joining people from all different backgrounds and walks of life in one space for a peaceful service.

We invite our South Hills neighbors near and far to come together in gratitude and unity. Everyone is welcome. We hope to see you there.

Make a difference.

SHIM's work relies on one thing. You. Your generous gifts power the work that helps our struggling neighbors across the South Hills.

Together, we served more than 7,500 people last year. But there's so much more we can do. Please join us to make the South Hills better than ever.
