

Host a drive to help our refugee neighbors

The United States represents freedom and opportunity to all people who seek it. We will continue to work every day to help people of all backgrounds who live in the South Hills meet basic needs and work toward self-sufficiency, so they can realize their potential. We are grateful to work with neighbors and agencies who care about our community, the people in it and offer immigrant and refugee supports. Together, we can continue to build a strong, thriving community where people of all backgrounds can thrive.

By donating the items below, you can give refugee families a taste of home, help them find comfort in something familiar and ensure they have a nutritious meal.

Most needed items for SHIM's refugee neighbors
