

Make a gift of stock

Giving a gift of appreciated stocks, bonds or mutual funds is another impactful way to support SHIM and may provide a greater tax benefit than giving cash.

Your donation of securities is eligible for a tax deduction and helps you avoid or reduce capital gains taxes and brokerage fees. For more information on potential tax advantages, please consult with your financial advisor. Gifts of securities can easily be made by asking your broker to arrange a transfer to SHIM's account. Please provide your broker with the following information:

Custodian- Charles Schwab

DTC # 0164, Code 40

Account Name- South Hills Interfaith Ministries

Account Number- 8135-1017
